

# health science academy

June 2011

More than 800 Brooklyn high school students like you have benefited from the Health Science Academy since it began in 1994. Now we hope you will take advantage of an important opportunity to help us build awareness of the Academy and raise money by leveraging the mobile web. We are launching a mobile competition that will run from May 30th to June 30th. The winning team leader will be awarded a \$100 gift certificate.

You can become an Academy mobile supporter by signing up to become an mRaiser for the Academy fund raising campaign. Text AAI to 27722 and you can register to lead a mobile giving team, or join an existing team with a \$10 gift. As team leader, you can ask your friends, family, co-workers and others go to the AAI to 27722 link and make a gift in your name or to register themselves as a team leader. Gifts are limited to \$10, and some carriers will allow for up to three gifts during the campaign period. You can text AAI to 27722 to see your results and the results of the other teams.

The campaign winner will be contacted by the Health Science Academy on July 5th. Thank you for your continued support of the Academy.
